

Measure + Install Balance Beam

ATHLETIC EQUIPMENT

Please contact customer service if you have any questions

sales@akathletics.com

For the past 25 years, AK Athletics has been manufacturing high-quality mats gymnastics mats. Balance beams are perfect for beginners learning gymnastics. The low beam builds up confidence and skill level in young athletes.

Suede Balance Beams

Mini Competition Suede Balance Beams have rounded sides and a padded top to simulate the feel of a professional beam. Our beams provide an easy transition for gymnastic from practicing at home to a competition tournament.

7" off the ground

8' long

4" top

Training Foam Balance Beams

Base is 18" x top 6" x length 72" x height 8". The supportive foam is stable and comfortable to develop motor skills for any toddler and make great practice for entry level gymnastics.

Play and Learn Foam Balance Beam

The Play and Learn Foam Balance Beam is 7" wide at the base and 4 ½" wide at the top. The beam attaches to the floor mat with velcro.
