

# Measure + Install Landing Mats

EST. **AK** 1990 **ATHLETIC EQUIPMENT**

Please contact customer service if you have any questions  
[sales@akathletics.com](mailto:sales@akathletics.com)

For over 25 years, AK Athletic Equipment has been in the protective padding business. We have experience in providing padding for aerial arts studios, rock climbing gyms, circus performances, ninja courses, and gymnastics. Landing and crash mats can be custom tailored to fit your needs.

If you need landing mats for a large area, contact our sales department for the option to velcro crash mats together.

Email: [sales@akathletics.com](mailto:sales@akathletics.com)

Phone: 800-431-4372

After the mat is in your facility please use handles on the side of each mat to assist in transport or place adjustments. Dragging the mats are not covered in our warranty and discouraged.
